#### **THE SPREAD OF ILLNESS CLAUSE**

The health of all our students and staff is important to us. We aim to maintain a clean and illness free environment as much as we possibly can. But you must do your part. Keeping yourself or your child home during an illness and making sure we are keeping our hands clean as often as possible, will help prevent the spread of illness among other students, families, and our staff. If you or your child is sick (including sneezing and a runny nose) and comes to class, based on the instructor's discretion, you may be asked to leave. We understand that you and/or your child may be looking forward to coming to class, but we have a whole student base and staff to keep in mind. No refunds or credits for missed classes.
